LvL UP your Leadership

LvL UP immerses you in real-world, high-pressure scenarios, combined with cutting edge leadership insights and personal growth. This unforgettable three-day program provides a rare chance to engage in a unique leadership development experience.

Guided by a renowned leadership expert, with exclusive access to training activities at the Victoria Police Academy, this is leadership in action.

If you're a senior leader who is ready to embrace challenges, get outside your comfort zone and experience leadership in a way that few ever will, this is the program for you.

You'll gain access to

- A fully immersive, interactive learning environment
- A leadership expert, Corrinne Armour CSP, with a proven track record for success
- Exclusive access to specialised facilities and activities with Victoria Police that you won't find anywhere else
- Practical skills and strategies you can use immediately
- Celebration lunch with the Victoria Police Chief Commissioner
- Program resources.
